

Dear Luca

ayokay

Dear Luca
How's it been 6 years running
Away from the girl I knew?
At least who I thought you were

Dear Luca
Maybe I got it all wrong
Maybe you were meant to stay
Maybe you were happy that way

Cause I remember when you looked at me and everything else blurred out
And I said I'd follow you
It's funny how our memories turn into the enemy now
But I still remember you

Luca
I hope you've forgiven me
Luca

Dear Luca
It took me 6 years to get it
You can get lost out there
But you can get lost right here

Dear Luca
Thought I always knew what you wanted
It wasn't my place to say
You ended up a different way

Now I remember when I moved away and you were so angry at me
I wonder if you get it now
It's funny how your memory turned me to the enemy
How do you feel about it now?

Luca
I hope you've forgiven me
Luca
I hope you've forgiven you too

What I'm really trying to say
Is I hope you're in a better place now
And I hope that you could say the same
About me too

And I know that so much has changed
But in a way we're still just the same
I spent the last six years
Trying to replace you

Luca
I hope you've forgiven me
Luca
I hope you've forgiven you too
Luca
I hope you've forgiven me
Luca
I hope you forget about me
