

I'll Wait For You

ayokay

Never touched your lips but I think about 'em
Nowhere to run when you cross my mind
You are the one thing that's worth me drowning
I'd let you run away with all my time

I'll wait for you
You're more than I can afford to lose, so
I'll break in two
What it takes is what I will do

I'll wait for you
I will wait for you

I'll never understand what are you scared of
Maybe it's not my place to know
I've spent so much time hoping you would let up
I could take your hand if you move slow

I'll wait for you
You're more than I can afford to lose, so
I'll break in two
What it takes is what I will do

I'll wait for you
I will wait for you

I'll wait, wait for you
