

Someone Else

ayokay

You used to be my friend
You used to be my friend, now you're someone else
You used to be my friend
You used to be my friend, now you're someone else

You used to be my friend, now you're someone else
You used to be my friend, now you're someone else

Now the warm water rises
Deep inside your eyes
Tell me can I?
Now the warm water rises
Deep inside your eyes and
Here we go again

Here we go again
Here we go again
Here we go again
Here we go again
Here we go again
Here we go again
Here we go again

You used to be my friend
You used to be my friend, now you're someone else
You used to be my friend
You used to be my friend, now you're someone else

You used to be my friend, now you're someone else
You used to be my friend, now you're someone else
