

Wasted Touch

ayokay

Give what you're giving that's my cover
I'm not the one that's on your mind
You're keeping everybody guessing
I'm not the one that spend the time

And oooh wait till morning
And oooh wait too much oh oh
Oooh wait til morning oh oh oh oh
Oooh wasted touch

Give what you're giving that's my cover
I'm not the one that's on your mind
You're keeping everybody guessing
I'm not the one that spend the time

And oooh wait till morning
And oooh wait too much oh oh
Oooh wait til morning oh oh oh oh
Oooh wasted touch

Give what you're giving that's my cover
I'm not the one that's on your mind
You're keeping everybody guessing
I'm not the one that spend the time

And oooh wait till morning
And oooh wait too much oh oh
Oooh wait til morning oh oh oh oh
Oooh wasted touch
