

Away

Ayra Starr

(Louddaaa)

How far
Make you no dey bother with me
Your father
What you wanna acquire with me
Stutter
Stutter like a motherfucker
I do not like it when you call me
When you been dey flex
With them girls up east
You dey flex
You con dey vex on top say I no want stress

When you gonna understand
You can never be the man I stan
You can never be the one for me
Take away your trouble
And leave me be

Away, away, away
Away, ah-ah, away ay
(Take all your trouble)
Away, away, away
Away, ah-ah, away ay
(Take it, take it, take it)
Away, away, away
Away, ah-ah, away ay

Understand
Understand I won't
Understand I won't be the girl that use to cry
Cry about a man that never came through
He dey lie
All the time
Let's talk about a fool
Yahhh yeah
You keep talking but you're tripping
Yahhh yeah
You keep talking

When you gonna understand
You can never be the man I stan
You can never be the one for me
Take away your trouble
And leave me be

Away, away, away
Away, ah-ah, away ay
(Take all your trouble)
Away, away, away
Away, ah-ah, away ay
(Take it, take it, take it)
Away, away, away
Away, ah-ah, away ay

How far

How far
How far
Tell me why you wanna call me
When you know that you not my type
This thing done dey pain me
No need to explain please
This thing done dey pain me

Away, away, away
Away, ah-ah, away ay
(Take all your trouble)
Away, away, away
Away, ah-ah, away ay
(Take it, take it, take it)
Away, away, away
Away, ah-ah, away ay
