I can't apologize  
'Cause my fairytale is you and me, baby, for our lives  
So why can't I fantasize?  
'Cause I want you by my side when I stop dreaming  
Be mine

I want you here so oma sare  
I want your love so don't run away  
Me and you take over the world  
Standing where no man can put asunder  
Tell me you say you won't let go  
I'll hold you tight like a Romeo  
I'll show you say you be my own, oh oh

I can't apologize  
'Cause my fairytale is you and me, baby, for our lives  
So why can't I fantasize?  
'Cause I want you by my side when I stop dreaming  
Be mine

You no dey play like a Ronaldo  
You gum body like a Burna Boy  
E funny 'cause get money o  
And you no dey Jonze me like other boy  
You gimme joy, you gimme joy  
You gimme love, you gimme love  
And I will always hold you dear  
You mean a lot to me, yeah  
Mmm, you mean a lot to me, yeah

I can't apologise  
'Cause my fairytale is you and me, baby, for our lives  
So why can't I fantasize?  
'Cause I want you by my side when I stop dreaming  
Be mine
