

Stamina

Ayra Starr

Stamina stamina
You go need more stamina
Oya raga mo mi now
Make I know say you cover me now

So many things I can do to you
If only you give me the permission to
Give me the permission to
Show you the thing I carry

Applaudise for you
Make I no lie o dun
Make I no lie o da mi lo ri ru
Cause I'm so into you

So many things I can do to you
If only you give me the permission to
Give me the permission to
Show you the thing I carry

Na you take my breath away
Omo one question sho fe pam
Live to fight another day
Live to fight another day

So many things I can do to you
If only you give me the permission to
Give me the permission to
Show you the thing I carry

Give me the permission to
Show you the thing I carry

See as I dey check calender
I no fit wait forever
Je ka se jiggy jagga
I'm charged up for you
Thank God for two
Sexy kunfu
Ready to do everything you like
I'll make your fire ignite
Until you see the sunlight
So ti mu ra sugar
You will be needing plenty

Stamina stamina
You go need more stamina
Oya raga mo mi now
Make I know say you cover me now

So many things I can do to you
If only you give me the permission to
Give me the permission to
Show you the thing I carry

Applaudise for you
Make I no lie o dun

Make I no lie o da mi lo ri ru
Cause I'm so into you

So many things I can do to you
If only you give me the permission to
Give me the permission to
Show you the thing I carry

Na you take my breath away
Omo one question sho fe pam
Live to fight another day
Live to fight another day

So many things I can do to you
If only you give me the permission to
Give me the permission to
Show you the thing I carry
