

(Why did you make me to do it?)  
(Why did you force me to take it?)

Why did you make me to do it?  
Why did you make me to lose it?  
Why did you give me the drugs that I took?  
Why did you force me to take it?  
I thought that what we had was love, was love  
I gave you all I had, not much, not much  
Things you gave to me were worse, were worse  
And I'll apologize no more, no more

But I'm sorry  
That I loved somebody that would hurt me  
In the past that's sad but truthfully  
I died when you left, when you left me  
Oh, sadly  
Oh, sadly  
I've been crying my eyes out with Xanny  
I've been drowning my sorrows in a bottle  
I've been smoking very much since you left me, oh

Why did you make me to lean?  
Pop a Molly in a cup and sip  
I thought you'd never ever let me be  
I thought you'd hold me down 'til I get clean  
I thought that what we had was love, was love  
I gave you all I had, not much, not much  
Things you gave to me were worse, were worse  
And I'll apologize no more, no more

But I'm sorry  
That I loved somebody that would hurt me  
In the past that's sad but truthfully  
I died when you left, when you left me  
Oh, sadly  
Oh, sadly  
I was crying my eyes out with Xanny  
I've been drowning my sorrows in a bottle  
I've been smoking very much since you left me

Oh, woah-oh, uh-huh (Since you left me)  
Since you left me (Since you left)  
You left me (You left me, I know)  
Since you left me, since you left me
