

Forevermore

Ayreon

In a dusty room on a stormy night
away from all the crowds
I rise above the clouds

Into a world once so bright
where no shadows fall
and a thousand voices call

Dream on forevermore
our future's in your hands
close your eyes close your eyes
and fantasize

Only one boy whose heart is pure
can save them from the curse
that's upon the universe

He's on a quest for the secret cure
across the burning sand
to the edge of the fairy-land

This world was built upon human dreams
on hopes instead of fears
now it slowly disappears

Scream as loud as you can scream
for the empress needs a name
or nothing will remain
