Inferno

Ayreon

"Lavinia is wailing and incoherent,
But all Abraham needs to hear are the words Abby... and fire!
He races off to help his daughter, leaving his devastated wife behind!"

(Fatum) where are you, you shouldn't be alone
(Horrificum) I will find you and take you home
(Oppugnabit te) hold on now
(Abhorrebis oooo) be strong now
(Mortem providens) don't give up now, don't you dare give in!

(Fatum) hang in there, I'd give my life
(Inauditum) I'll do anything to keep you alive
(Videbis miser) hold on now
(Rapieris ad) be strong now
(Crematorium, ad Purgatorium oooo ad Dominum
Aut ad Diabolum)
I am coming, I'm coming in

Vita est finita nunc – redire non iam potes –
Inutile est supplicare ad Mortis Angelam – in lacrimis
Tu obscurus nubibus – amorem nunc effugis –
In lacrimis eris ducendus ad crematorium, ad
Purgatorium oooo ad Dominum aut ad Diabolum!

Why? Oh why?
Why... did we die?
Why, I need to know why...
Why did you let us die!
