

## She Is Innocent

Ayreon

"The path home from Abby's house takes Lavinia through a dense,  
dark forest.  
It's quiet, and she's completely lost in thought.  
Suddenly... a ferocious storm kicks up out of nowhere!  
Lightning flashes, revealing an unearthly face emerging from the  
shadowy trees!  
Can it be Daniel?  
Can it possibly be Daniel?"

She's not guilty, she did not kill me  
She did not do it, she did not choose it

She's not guilty, she did not kill me  
She did not do it, she did not choose it  
You gotta believe me, she wouldn't deceive me  
No she is blameless, she is harmless

She's not guilty, no, not guilty  
She did not kill me, she'd never kill me  
She did not do it, she couldn't do it  
She did not choose it, she wouldn't choose it

You gotta believe me, do believe me  
She wouldn't deceive me, never deceive me  
She is blameless, truly blameless  
She is harmless, really harmless

[Daniel:] she's not guilty  
[Lavinia:] no, not guilty  
[Daniel:] she did not kill me  
[Lavinia:] she'd never kill you  
[Daniel:] she did not do it  
[Lavinia:] she couldn't do it  
[Daniel:] she did not choose it  
[Lavinia:] she wouldn't choose it  
[Daniel:] you gotta believe me  
[Lavinia:] I believe you  
[Daniel:] she'd never deceive me  
[Lavinia:] not deceive you  
[Daniel:] she is harmless

Really harmless... she is innocent!
