

Not Receiving

Ayria

The minutes fade to hours
Did you forget me here?
The quiet stinging sorrow is all that's left to feed me

Where everything fades away
When time's left an ugly stain
Will I forget this place, this face for good?
For good

I'm falling down to you
But our lines aren't crossing, so I call to you
But you're not receiving me when I need you
So I'm falling, I'm falling, I'm falling

This message receiving
This lie that I've been leading
There is a pain in my heart
It's gripping me too tightly

When everything fades away
When time's left its ugly stain
Will I forget this place, this face for good?
For good

I'm falling down to you
But our lines aren't crossing, so I call to you
But you're not receiving me when I need you
So I'm falling, I'm falling down to you

But our lines aren't crossing, so I call to you
But you're not receiving me when I need you
So I'm falling, I'm falling, I'm falling
I'm falling, I'm falling, I'm falling

I'm falling, I'm falling, I'm falling, I'm falling
I'm falling, I'm falling, I'm falling, I'm falling
