

Recoiled

Ayria

I recoiled, descending
onto you, defending
the dissolving, underdetermined
like a soft stance like a purpose

I recoiled, descending
onto you, defending
the dissolving, underdetermined
like a soft stance like a purpose

I can't escape this now
I wouldn't know how
underwater, undersurface
to devor with no purpose

underwater, undersurface
to devor with no purpose

I recoiled, descending
onto you, defending
the dissolving, underdetermined
like a soft stance like a purpose
