Ayron Jones

Beat down, but there ain't no quitting
I forgive, but there's no forgetting, no
No
I was locked up in a cold, dark prison
I forgive, but there's no forgetting, no
No

So long, goodbye (Oh-oh-oh-oh-oh)
These shackles, they can't hold me down
I'm gonna make it out alive because I'm free

Free to heal the broken and the weak
Refuse to be the man I used to be
'Cause I'm walking on the water
Do you believe?
Do you believe?
Yeah, I'm free

No hope, but I won't stop dreaming
I'll fight on 'til my heart stops beating, oh
Oh-oh-oh
They say time heals, so there ain't no waiting
I want it all, so it's mine for the taking, oh
Oh-oh-oh

So long, goodbye (Oh-oh-oh-oh-oh)
These shackles, they can't hold me down
I'm gonna make it out alive because I'm free

Free to heal the broken and the weak
Refuse to be the man I used to be
'Cause I'm walking on the water
Do you believe?
Do you believe?
Yeah, I'm free

'Cause I'm free
Free to heal the broken and the weak
Refuse to be the man I used to be
'Cause I'm walking on the water
Do you believe?
Do you believe?
Yeah, I'm free
(Oh-oh-oh-oh-oh)
