

Get High

Ayron Jones

Feelin' good as a motherfucker
I feel alive as a motherfucker, ay
Feelin' good as a motherfucker
As a motherfucker

Ringside and the world is ending
Wrong side is it hell or heaven
So I'm rolling just to forget it
Just to forget it, ha, forget it
Head down, feet on the ceiling
I can show you what God believes in
Here it comes, you can feel it creeping
It's creeping

You got me like
Wide-eyed, tongue-tied
Mouth dry, white lines
Gone
It feels right
Inside
Skin-tight
I'm gone

Tastes like sugar, it's sweet
To be the bad boy you need
I get high, I get high
So come fly with me
Sip supernova champagne
I'll light you up like cocaine
So come fly, come fly
Get high with me
Come fly, come fly
Get high with me

I'm feelin' bad as a motherfucker
I'm feelin' good as a motherfucker
I'm feelin' high as a motherfucker
As a motherfucker

I took a hit just to stop my sickness
I'm at the altar but there's no forgiveness
I'm on my knees, can I get a witness
Get a witness

You got me feelin'
Wide-eyed, tongue-tied
Mouth dry, white lines
Gone
It feels right
Inside
Skin-tight
I'm gone

Tastes like sugar, it's sweet
To be the bad boy you need
I get high, I get high
So come fly with me

Sip supernova champagne
I'll light you up like cocaine
So come fly, come fly
Get high with me
Come fly, come fly
Get high with me

I feel good as a motherfucker
I'm feelin' high as a motherfucker
Ay, I feel fly as a motherfucker
Uh, I'm alive as a motherfucker

Tastes like sugar, it's sweet
To be the bad boy you need
I get high, I get high
So come fly with me
Sip supernova champagne
I'll light you up like cocaine
So come fly, come fly
Get high with me
Come fly, come fly
Get high with me

I'm feelin' good as a motherfucker
I feel alive as a motherfucker
I'm feelin' good as a motherfucker
