Living For The Fall

Ayron Jones

Something's gotta break
When you take and you give and you give and you take away
Are you afraid?
If we die tonight, would you regret this mess we made?
Would you forget my name?

All
For you I give it all
Living for the fall

Standing on the stars
Falling for you, now gravity has the controls
And I can see it all
So I'm not scared to die 'cause I've died many times before
Do you know who you are?

All
For you I give it all
All
For you I give it all
Living for the fall

Just tell me what you want me to do
'Cause I will give it all for you
Just tell me what you need me to be
I can give you everything

Something's gotta break
If we die tonight, would you regret this mess we made?
Would you forget my name?

All
For you I give it all
All
For you I give it all
Living for the fall
