

Otherside

Ayron Jones

Are you dying to live
Or living to die?
When you meet your maker
Is your head held high?
Who did you love?
What did you give?
What did you take?
What did you burn?
Was something missed?

Do you dream of something more
Before death comes knocking at your door?

Gonna ride this feeling, gonna free my mind
Gonna live my moment, gonna chase this high
Nothing lasts forever, so I let it fly
'Cause I can't take it with me to the otherside

The otherside, the otherside
No, I can't take it with me to the otherside
The otherside, the otherside
No, I can't take it with me to the otherside

Did you dig for the dollar?
Did you lie for the gold?
Did you get what you wanted?
Did you sell your soul?
Who did you hurt?
How did it feel?
How did you break?
What was it worth?
And will it heal?

'Cause there's truth you can't ignore
Before death comes knocking at your door

Gonna ride this feeling, gonna free my mind
Gonna live my moment, gonna chase this high
Nothing lasts forever, so I let it fly
'Cause I can't take it with me to the otherside

The otherside, the otherside
No, I can't take it with me to the otherside
The otherside, the otherside
No, I can't take it with me to the otherside

Gonna ride this feeling, gonna free my mind
Gonna live my moment, gonna chase this high
Nothing lasts forever, so I let it fly
'Cause I can't take it with me to the otherside

The otherside, no, no
No, I can't take it with me to the otherside
No, I can't take it with me to the otherside
No, no, no, no
No, no, no
The otherside, the otherside...
