

Take Your Time

Ayron Jones

I know it's hard
When you're moving too fast
So smile for the moment
I wanna make this last
And I know it's hard
To get things off your mind
But you know I'm patient
So please take your time

Take your time
Take your time
Take your time
Take your time

And I know it's hard
To forget your past
Just give me your heart
I'll be the best you've ever had
And I know, I know, I know
I know that you're afraid
But I'm in no rush
Let's take it at your pace

Take your time
Take your time
Take your time
Take your time

Just take your time
Take your time
Take your time
Take your time

Take your time
I know how hard it gets for you when you're alone
Take your time
But when you're ready I'll be waitin' right next to my phone
Take your time
Take your time
Take your time (For you)
For you, for you
All I've got is time
