It would be nice if we could put away and throw out
Everything except what really mattered, but
Reality is just cruel

In such times
I see you laughing
Whenever I close my eyes

Until the day I reach eternal sleep
That smiling face will
Have to stay with me without fail

People are all sad, so
They continue to forget, but

For that which I should love
For that which gives me love, I will do what I can

Back then, when we met
It was all awkward
We went the long way, didn't we?
We got hurt, didn't we?

Until the day I reach eternal sleep
That smiling face will
Have to stay with me without fail

Back then, when we met
It was all awkward
We went the long way, but
We got there in the end
