Do it again

Do you still remember
That dream you once painted for yourself?

Where is that dream now
And what shape has it taken?

It's sad to give up
I still feel this way now

But that's not the only thing to it
I'm starting to feel more like this as well

Just a dream...

Only dreams are...

Dance, dance, dance
Do it again
Dance, dance, dance
Do it again
Dance, dance, dance
Do it again
Dance, dance, dance
Do it again

Sing, sing, sing
Do it again
Sing, sing, sing
Do it again
Sing, sing, sing
Do it again
Sing, sing, sing
Do it again

Does this suddenly
Warm your heart?

Does this tightly
Grip your heart?

It takes courage to let go
You learn this when you grow into an adult

But these days I've realized
That letting go is not such an easy thing to do

What would you...
Think right now...

Dance, dance, dance
Do it again
Dance, dance, dance
Do it again
Dance, dance, dance
Do it again
Dance, dance, dance
Do it again

Sing, sing, sing
Do it again
Sing, sing, sing
Do it again
Sing, sing, sing
Do it again
Sing, sing, sing
Do it again

Do you still remember
That dream you once painted for yourself?

Where is that dream now
And what shape has it taken?

It's sad to give up
I still feel this way now

But that's not the only thing to it

I'm starting to feel more like this as well
