

## Problem

Ayumu Imazu

Totsuzen no kisu ni  
Fui o tsuka rete ugokenaku natta  
Roze no nokorika ni  
Oborenu yō ni to seiippai

You're taking over my control  
I don't really mind it though (no no no)  
Senmeina kanshoku ga osou  
Losing my shōki  
Hamidashi-sō ni naru emotion

Oh well, I guess I never knew life could make  
Me feel this good  
Ima made ni nai kibun ni  
Yotte ita iya higher  
Tomarenai Yamada  
Karasawagi raifu mo  
Kimitonara saijōkyū  
Ima made ni nai kibun ni  
Nokkatteta iya a iya  
What's the problem with that?

Oite karenai yō ni  
Ashidori sekashi sukippu shita  
I like me when I'm around you  
'Cause you make everything brand new

You're taking over my control  
I don't really mind it though (no no no)  
Kimi no iu tōri ni follow  
Doko e demo  
Nigiru te I won't let go

Oh well, I guess I never knew life could make  
Me feel this good  
Ima made ni nai kibun ni  
Yotte ita iya higher  
Tomarenai Yamada  
Karasawagi raifu mo  
Kimitonara saijōkyū  
Ima made ni nai kibun ni  
Nokkatteta iya a iya  
What's the problem with that?

So tell me what we doing  
I can't seem to get enough of you  
Got to have some twists  
Taikutsu ni wa modorenai  
You and me we're like a movie  
Better than Hollywood  
Subete kakete I won't let you down  
I'm all for you

Oh well, I guess I never knew life could make  
Me feel this good  
Ima made ni nai kibun ni  
Yotte ita iya higher

Tomarenai Yamada  
Karasawagi raifu mo  
Kimitonara saijōkyū  
Ima made ni nai kibun ni  
Nokkatteta iya a iya  
What's the problem with that?
