

Be My Friend

Ayyan

Be my friend, be my friend, be my friend
Be my friend, be my friend, be my friend
Be my friend, be my friend, be my friend
'Cause you are like no other

Be my friend, be my friend, be my friend

Even when you're miles apart, babe
My soul is by your side
'Cause we're connected heart to heart now
Forever wild and young
Miami, Paris, Tokyo
Forever me and you around the world
But what we got is more than special
Don't you ever go

Now you are here
No time for playing anymore
Boy, don't you leave
We start the party on and on

I just want you, be my friend
I don't want you, go away
I don't wanna feel this way
Ah, ah-ah-ah, ah-ah-ah, ah-ah-ah-ah
I just want you, be my friend
I don't want you, go away
I don't wanna feel this way
Ah, ah-ah-ah, ah-ah-ah, ah-ah-ah-ah

Be my friend, be my friend, be my friend

It doesn't matter where you come from
It's you I still believe
Even though you're far from me now
You bring out the best in me
You're always here when I'm in need
You melt my soul, I feel complete
'Cause you're the keeper of my secrets
The reason why I dream

Now you are here
No time for playing anymore
Boy, don't you leave
We start the party on and on

I just want you, be my friend
I don't want you, go away
I don't wanna feel this way
Ah, ah-ah-ah, ah-ah-ah, ah-ah-ah-ah
I just want you, be my friend
I don't want you, go away
I don't wanna feel this way
Ah, ah-ah-ah, ah-ah-ah, ah-ah-ah-ah

Be my friend, be my friend, be my friend
When you're here it feels like summer

Be my friend, be my friend, be my friend
'Cause you are like no other
Be my friend, be my friend, be my friend
When you're here it feels like summer
Be my friend, be my friend, be my friend
'Cause you are like no other
