

# Boom

Ayyan

When I step in the club, the party starts in  
They be liking the way my body rocking

When I step in the club, the party starts in  
Every boy in the room can't keep from watching  
They be liking the way my body rocking

'Cause my hips go boom-ba-ba, boom-ba  
Boom-ba-ba, boom (you gotta go)  
'Cause my hips go boom-ba-ba, boom-ba  
Boom-ba  
Boom-ba-ba, boom (get up, get up, yo  
Get up, yo)

Up in the party, I just came to have fun  
No sitting down on the floor until the day's done  
The music's talking, I'm bouncing to the bass drum  
Boom-bum-bum, boom

Oh, hips, they be popping  
Oh, won't be no stopping  
No, know you be liking  
The way I work it 'cause they love it when I twerk it

When I step in the club, the party starts in  
Every boy in the room can't keep from watching  
They be liking the way my body rocking

'Cause my hips go boom-ba-ba, boom-ba  
Boom-ba-ba, boom (you gotta go)  
'Cause my hips go boom-ba-ba, boom-ba  
Boom-ba  
Boom-ba-ba, boom (get up, get up, yo  
Get up, yo)

Ain't no slowing me down, I'm on a mission  
Hips be talking so loud, can't help but listen  
See them working the crowd, they can't resist them  
Boom-bum-bum, boom  
Oh, hips, they be popping  
Oh, won't be no stopping  
Oh, know you be liking  
The way I work it 'cause they love it when I twerk it

When I step in the club, the party starts in  
Every boy in the room can't keep from watching  
They be liking the way my body rocking

'Cause my hips go boom-ba-ba, boom-ba  
Boom-ba-ba, boom (you gotta go)  
'Cause my hips go boom-ba-ba, boom-ba  
Boom-ba  
Boom-ba-ba, boom (get up)
