

# Earthquake

Ayyan

Ever since you went away  
All I see it's rain  
Everyday, you're not mine  
All I do is pray  
Tears are dropping from the sky  
As I call your name  
Now I cry every night  
'Cause I want you everyday  
You are on, you are on, you are on my mind  
You are on, you are on, you are on my mind  
You were all, you were all, you were all I had  
Baby, I just want you back

Trying to hold, down as you go  
Pulling you close, pushing me far, no  
I wanna cry, you wanna go  
Beggin' you don't, beggin' you don't  
(Whoa-oh-oh-oh-oh)

Your love is like an earthquake  
Shaking up my ground  
But ever since I lost you  
The sky is falling down

Ever since you went away  
All I see it's rain  
Everyday, you're not mine  
All I do is pray  
Tears are dropping from the sky  
As I call your name  
Now I cry every night  
'Cause I want you everyday  
You are on, you are on, you are on my mind  
You are on, you are on, you are on my mind  
You were all, you were all, you were all I had  
Baby, I just want you back  
Baby, I just want you back  
(Baby, I want you back)  
Baby, I just want you back

Trying to cope, losing my hope  
Tired of crying, losing my mind, no  
Riches and gold, can't fill the hole  
Made you in my soul, made you in my soul  
(Whoa-oh-oh-oh-oh)

Your love is like an earthquake  
Shaking up my ground  
But ever since I lost you  
The sky is falling down

Ever since you went away  
All I see it's rain  
Everyday, you're not mine  
All I do is pray  
Tears are dropping from the sky  
As I call your name

Now I cry every night  
'Cause I want you everyday  
You are on, you are on, you are on my mind  
You are on, you are on, you are on my mind  
You were all, you were all, you were all I had  
Baby, I just want you back

Ever since you went away  
All I see it's rain  
Everyday, you're not mine  
All I do is pray  
Tears are dropping from the sky  
As I call your name  
Now I cry every night  
'Cause I want you everyday  
You are on, you are on, you are on my mind  
You are on, you are on, you are on my mind  
You were all, you were all, you were all I had  
Baby, I just want you back
