

Making Dollars

Ayyan

All the way from Greece
And around the world
We present to you, Ayyan and Timo
We're International, we taking over
We're International, we taking over
Πάμε, πάμε, πάμε [pame, pame, pame]

Guess I'll have to let you see my vision
Trying to make you part of my mission
Put it on the floor
Touch it, feel it, give me more
'Cause I like the way you stop, drop, give it all
Out there making dollars
Even if you're far
I can hear you holla'
Dame más amor
Sólo le dan el color
Cuando siento frío tienes el calor

You can be my G'd up Valentine
I can be your hood girl on the grind
Nothing's gonna' stop us, baby I'm
Ready for this big world, you and I
You can be my G'd up Valentine
I can be your hood girl on the grind
Nothing's gonna' stop us, baby I'm
Ready for this big world, you and I

I feel your arms around me, your love is inside me
I swear everything will be OK
The sky is going crazy, it's raining here my baby
This will be the last time we're away

I feel your arms around me, your love is inside me
I swear everything will be OK
The sky is going crazy, it's raining here my baby
This will be the last time we're away

One thing is on my mind
Beat the distance find a way to make you mine
Soon as you come into my arms, the time stops
Heart beats like the beat drops
Riding dirty making money
Another million made, haters acting funny
Ayyan, Timo hitting up, are you feeling this?
We party up to Dubai all the way to Greece

Guess I'll have to let you in my mind now
Baby this can be our little hideout
Dame más amor
Sólo le dan el color
Cuando siento frío tienes el calor
Out there making dollars
Even if you're far you're still my balla'
Put it on the floor
Touch it, feel it, give me more
'Cause I like the way you stop, drop, give it all

You can be my G'd up Valentine
I can be your hood girl on the grind
Nothing's gonna' stop us, baby I'm
Ready for this big world, you and I
You can be my G'd up Valentine
I can be your hood girl on the grind
Nothing's gonna' stop us, baby I'm
Ready for this big world, you and I

Crazy Crazy Crazy
Crazy Crazy Crazy
Crazy Crazy Crazy
Crazy Crazy Crazy
Crazy Crazy Crazy

Even though I'm crazy, mad about you baby
I swear everything will be OK
You can be my baby, I can be your lady
This will be the last time we're away

Outlaws
We'll be Bonnie and Clyde
You're in my arms now, nothing will make you slide
Outlaws
We'll be Bonnie and Clyde
You're in my arms now, nothing will make you slide
