Ayzha Nyree

I got that trap nigga callin  
Yeah, he still hit me up (hit me up)  
Fuck that rude boy he don't lift me up  
My pockets heavy can't pick me up  
Look how his dick get up  
I'm finna chat then I'm off it  
I can't get trap niggas off it  
He callin me like a office  
Wish you could hear how he talkin

Gave a fuck so you now I'm comin  
I'm on track so you know I been runnin shit  
Niggas got me exhausted so I'm goin toxic  
I might fuck yo friend when I'm done with this  
Nigga let's just be honest  
I been too modest  
Fuck nigga you wildin  
Trust it can get violent

He did me bad cuz he wanted  
So I did it back cuz I wanted  
He like to chat so I'm on it  
Might have to smack on that trap nigga  
Hate it that you my opponent  
You in the game but I own it  
You ain't gone like how I told it  
(I can't get that trap nigga off it)
