

## Last Night

Az Yet

Last night you were so into it  
You told me secrets that you've never told a soul  
You were so nervous and yet, oh, so comfortable  
As we explored your image of love

I drank your wine as you taste mine  
I kissed your lips, you felt my mind slip  
Into your soul  
I almost cried 'cause it was so beautiful

Last night, I was inside of you  
Last night, while making love to you  
I saw the sun, the moon  
The mountains and the rivers  
I saw heaven when I made sweet love to you

Last night, there was no planning it  
It was so special and so very innocent  
We talked of memories, our favorite fantasies  
As we explored our visions of love

Deep in the night, right by the fireside  
You felt my candlelight in your soul  
You felt incredible, I started to explode  
I almost cried 'cause it was so beautiful

Last night, I was inside of you  
Last night, while making love to you  
I saw the sun, the moon  
The mountains and the rivers  
I saw heaven when I made sweet love to you

Sunlight, red, red roses  
The scent of you, it calms the heart  
The sight of you, I fall apart

Moonlight, the things we notice  
When we're in love, that's when it comes  
And I'm so, I'm so in love

Last night, I was inside of you  
Last night, while making love to you  
I saw the sun, the moon  
The mountains and the rivers  
I saw heaven when I made sweet love to you, baby

Last night, I was inside of you  
Last night, while making love to you  
I saw the sun, the moon  
The mountains and the rivers  
I saw heaven when I made sweet love to you, baby

Last night, I was inside of you  
Last night, while making love to you  
I saw the sun, the moon  
The mountains and the rivers  
I saw heaven when I made sweet love to you
