

Doo Wop (Outro)

AZ

Hold up A, hold up man

I, I forgot to play this one joint before we get up outta here

It's some crazy shit the streets will definitely love

And you know what I mean

My nigga gets in the ring with the best of them baby

This is how a legacy is built

Years of unadulterated verbal abuse on these motherfucking mics

AZ salute

Doo Wop I'm up out of here

I'ma leave you with this one though

Styles P what up
