AZ

That shit right here  
It's only right nigga  
It's that new '90's shit  
AZ, Quiet Money for real, Doo Wop  
Let's have some fun with these niggas real fast  
Yo word up  
It's effortless, real easy  
We do this, we do this shit for a living my nigga  
Busy right now, brush my shit off  
Let's get 'em  
Ok let's do it  
Bounce on 'em A, show 'em how we play

I'm self-educated, I'm nothing to play with  
See the flows so flagrant, could fuck with your favorite  
So if it ain't dope save it, I don't entertain it  
Amongst the brainless, chicks that like dick in their anus  
High maintenance, only pose in flicks with the famous  
To my amazement, rose from the project pavement to live entertainment  
Sabotaged, survived through arraignments, niggas name it  
If need be I'll back out and bang it  
I could claim it, fly guy hustlers hang with  
Speak the language, the lames infiltrating the game  
Shit has changed, still alive indicating my name  
Slimmer frame, fish and grits all connections legit  
I reminisce when my P.O. was inspecting my piss  
From the abyss to Allah's body in Loius Vuitton probably  
Fuck a homi, I'm humping in Abu Dhabi  
Dough taker, Caesar lowno razor  
Slight taper, divas know the dice shaker  
Cham sipper, been fresh since a gram flipper  
Tell 'em  
We ain't fam if I ain't run witcha  
Word up

Yeah  
Do or Die II is on it's way  
AZ  
Quiet money  
Brooklyn you know what it is  
Doo Wop  
You heard it nigga, Do or Die II on it's way soon
