Gimme Yours

Gimme, just gimme, for the NYC Gimme what you can't get back Gimme, why don't you gimme the world? Gimme what you can't get back, for the five Burroughs

Yo, it's hard to show resistance when money-gettin' niggas Need my assistance to stock figures, beyond non-existence Fuck keepin' my distance, 'cos bein' poor produced persistence Plus plea's, a hundred G's, I had me blockin' out of jail centers I'm recognized by the idlest of individuals Killers and criminals, even willies that's really into jewels But still septic on who I cling to 'Cos every single nigga that swing through Ain't my man just 'cos we mingle

To mistake shit, even females be feedin' off that fake shit Filled with envy and hatred but my high hopes help me escape it Temporarily the window world, don't read the wise Verbally nourish me, properly with that inner city, urban GC I fucked with those beyond my age bracket 'Cos they analyze and mack to get the papers and stack it Leavin' no trace to track it, keep on thinkin' tappers is accurate That mack shit, livin' the lifestyle, we filled with black wit

Just gimme (Pimp lines and dollar signs) Just gimme (Rollin' trees, stackin' G's) Gimme what you can't get back (True dat, I thought you knew that) Just gimme (Money getters, the high bidders) Why don't you gimme the world? (Rollin' wit us) Gimme what you can't get back, for the five Burroughs

So in God I trust, I lust for a 850-deluxe And in too, I touch a million-plus, ain't much to discuss Diamonds and double-digits, Gianni Versace down with lizards It's realism so I visualisin' to live it Movin' cleverly wit intentions of longevity Strong pedigree got me touchin' papers, others would never see, G So do the crest in my claw, fluorescents Symbolizes the essence, you're sailin' in a sweppervescence

Drug investments, a street thug's plug, the insurance, but informers They had you wanted for warrants 'fore you get enormous Life's a performance so players play wit endurance 'Cos from war sense, any villain's willing to get more intense They tried to break us but all it did was just make us Travel across acres for papers, bona fide money takers 'Cos though we know somehow we all gotta go As long as we're leavin' thievin', we'll be leavin' wit some kind of doe So

Just gimme (Pimp lines and dollar signs)

Just gimme (Rollin' trees, stackin' G's) Gimme what you can't get back (True dat, I thought you knew that) Just gimme (Money getters, the high bidders) Why don't you gimme the world? (Rollin' wit us) Gimme what you can't get back (It's real, NYC) Just gimme (QB)

Just gimme (BK, VT) Gimme what you can't get back (See me, AZ y'all, representin') Just gimme (Yeah, the street life is strife life) Why don't you gimme the world? (Representin') Gimme what you can't get back (Life's a bitch)
