

How We Get It

AZ

Yeah, this feelin' like money right here
Long time comin', anything is possible
The God AZ at it, the God crack king

Bubbling crack before this rap shit
Humble cat, but believe I let the MAC's spit
Shit, either you stack or hustle backwards
Stay strapped to stay in school and get your bachelors
That's facts, another batch make it back flip
First brick, was taking trips up to Saks Fifth
Chris, brand new in the Gucci shoe
Gold grills was getting mines, done by poochie blue
The zoo, I was there down in Albee square
Army gear, either that or in Armani wear
Yeah, tryna secure me some acres soon
Out in tulum, levitating to Jamaica tunes
Groom, been immune and not having shit
Arrogance is what built this establishment? (huh)
I want the logo and the pool lit, every photo let the jewels drip
If I'm dolo then the tools grip, I'm the mogul not to fool with
Flyest, only Pirellis on the car tires
Got prosecutors expunging to God priors
Free now, no paper work, I'm OT now
Phillipes, child, personal chefs on the speed-dial
Weed clouds, on a whole another other
Word to mother, this how you get it out the gutter

This is how we get it
This is how we live it

This vato loco, got the game in a chokehold
You little to no dough, I'm houses on both coast
How I bodied them haters and enemies
If I kill 'em with success, that's too many R.I.P.s
I got them killas and they all plus one
Same nigga put the pressy in them Air Force Ones
Himalayas for the wife, Chanel for the gumars
Arabic [?], I'm usually followed by two cars
Never weaponless, always effortless
Came out of '93, I show you what the exception is
Fentanyl flow got 'em leaning in arenas
Banksy levels, fuck niggas could never see us
I'm so rich, it don't feel R-E-A-L
The only thing fake, my bitch B-B-L
Nigga, I'm so lit, but still D-A-R-K
Feds tryna cuff and say, "He's beyond insane"

This is how we get it
This is how we get it
This is how we get it
This is how we get it

This is how we get it
This is how we get it
This is how we get it
This is how we live it

Yeah, mogul mentaal
Haha, made for the movies and shakers
Motivation music
Brooklyn BX, worldwide
Get yours
This how you get it
