

Reintroduction

AZ

Yeah, this is it
I was born for this
Kobe four seconds in the fourth quarter
Championship shit, heh ha

Wait a minute, y'all thought that I was finished?
Like, I ain't been about it
Like, I don't handle business
Get it in for real
I ain't here trying to whim it
This ain't a jail call
I ain't running out of minutes

Re-introduction
Weezing down the Hudson
Beluga bunches
I be's the discussion
David Ruffin
Easing over percussions
And needed nothing
We now notice who bluffing
Woke to it
Set a prayer and spoke to it
Let's set it clear
I'm the heir to this folk music
Folks knew it
Never groomed the coast to it
Low geeses
Wiley loafs
Don't blow deuces
Head crack em
Resume, just ask em
Letter A, the acronym
Let it play and it's platinum
Can't pass him
Soon to fall from backwind
Boogie broads attract him
Went on tour and taxed him
Style fresher
Verbal wild finesser
Foul
Blowing down
But listen loud in the Tesla
Pressure
Pioneer in the flesh
I am here to collect
Lions shares be the best
Success
Still on it, I will put a mill on it
There's no facade, the gods could build on it
Peel on it, no mumble or drill on it
Concealed on it
But wild on here on it

Billion dollar worth of the game
9-5 to now
Only question you should be asking yourself is how?

This that crack era cloth
Characteristics of a Kingpin

Wait a minute
Y'all thought I was finished?
Like I ain't been about it?
Like I don't handle business?
Own the whole house
I ain't never been a tenant
Anything I ever said
On the dead, a nigga meant it

Word to me doe
Never lacking libido
Years back in Muskego
Still rap with that stylo
He know
Not just a repper, I'm a stepper
Seeking higher to Mecca
So be obliged to this lecture
Handwritten
No scams, I'm transmitting
Ambition as long as the fans listen
Truth be told
No groupie hoes
No goofies that gaslight
But can't lose me though
Gucci soles
Baton Rouge, boosie mode
Rapping dudes trying do what fugees sold
Kool G flow
All me, no movie role
Smooth skin, red gold
Got that jewelry glow
Here we go, the setup
It's Who, what, where, whenever
My pleasure, I'm part of the era
Sharper the better, I zone it
The brag that never be the bonus
At any moment I can grab my cojones
