

# Kuin Lampaat Teuraalle

Azaghal

Like Lambs To The Slaughter

Weakminded lambs  
Kill yourselves  
Weakminded lambs  
End your suffering

I have stared the beast in to the eyes  
I have seen inside his soul and mind  
I have seen your age coming to its end  
I have seen your power fade, your people die

Torture and blaspheme  
Semen in the font  
Rape and kill  
No mercy is shown tonight

I have seen your mind  
I have seen your soul  
Worms, cowards  
Slaves, followers  
Weakminded lambs  
Kill yourselves  
Weakminded lambs  
End your suffering
