

Someone said that "Our life is short
So do what you wanna do"
But how could I when my hands are tied
To a Bible? I'm going through
Through my darkest days, livin' without a place
That I could call my little home
But I keep your love in my pocket as a photo
Wherever I may roam [?]
And all the pain and all the anger
I should let it go
I wanna know, but there's no answer
Don't know where do we go
But they were always there in the hardest times
'Til the problems went away
And I ain't talking 'bout the ones I love
Talkin' 'bout the ones I hate

Blind all the time, blind all the time
Blind, blind all the time
Blind all the time, blind all the time
Blind, blind all the time

Oh, at least tell me some better lies
I swear I won't take back what's mine, "Why"?
'Cause I'm blind all the time

So, show me that I'm not alone, I know that I won the war
You lied to me I know
But I couldn't see the real you, I'm dying when I feel you
So that's nothing new
'Cause I live in a maze, and I don't feel amazed
When can I come in your ways? I die alone
What do I say at the end of the day?
You're my Wonderwall, did I won the war?

Why I never die, why I never die
Why I never get back what's mine

Oh no, I've been so blind all the time
I thought I'm in the skies, you know
But I'm blind all the time
Oh no, I've been so blind all the time
You can't take back what's mine, "Why"?
But I'm blind all the time

Oh, when did I become so innocent?
Oh, when did I become so innocent?
Oh, when did I become so innocent?
Oh, when did I become so innocent?

Oh, no, I've been so blind all the time
I thought I'm in the skies, you know
But I'm blind all the time
Oh, no, I've been so blind all the time
You can't take back what's mine
But I'm blind all the time
