

Ooh, pa-ra-ra-ra  
A-ra-ra, la-ra-ra

So, tell me what you feel when you're all alone  
Waiting for the day you feel okay  
You know, the day will never come  
No, I don't know what you feel  
Is it the pain in your eyes, is it the scars on your wrist?  
No, I don't know, but I know one thing  
That what I was doing came from my heart, my darlin', yuh  
I tryna run but there's a hole inside  
You gave me reason to feel alright  
Baby-by-by cat, just never let me go  
I don't feel pressure  
'Cause I give you everything you need  
Like, I'm even standin' on my knees  
Break down my chains and let me be free  
'Cause right now, it's time to pick a side  
I'll be waitin' for you

Everybody's sayin' everybody needs somebody to be okay  
But I guess that no one's ever felt what I feel today  
But I need my people, my pretty lady  
By your side, I finally find a way to go ahead

Now I feel free, woo-ooh-ooh  
Now I feel free, woo-ooh-ooh-ah

Yeah, now I know  
Nineteen years have passed but now I know  
You put the pieces together but you also  
Drowned me in my sorrow  
I guess my love's not enough for you  
But I gave you  
Yeah, I'm a pretty little baby, I gave every single thing that  
I had  
And more, and more, and more, and more  
Until my final breath  
But I hope you never ever know what I've done today  
Until my final step, I said until my final breath  
But I hope you never ever know what I've done today
