

Oye

Azahriah

I'm like "Baby, you're an obstacle" (Obstacle)
I said "Baby, I'm on a rocky road" (Rocky road)
Yeah, I'd like to tell you that it's all about me
I tried too hard, but I can't find a way to set you free

And I'm like riding down the '95, we leavin' in a hole
Feels like months but it's two hours, I feel as I'm growing old
Popping pills and pouring champagne in a swimming pool
Okay, it's just my shady thoughts, the truth is that I'm still alone
As we riding down the '95, we're leavin' in a hole
It feels like months but it's two hours, I feel as I'm growing old
Yeah, we popping pills and pouring champagne in a swimming pool
Okay, it's just my shady thoughts, the truth is that I'm still alone

Oh, yeah, oh, yeah
What do you say to that?
What do you say to that? (Oh, yeah)
What do you say to that?
What do you say to that? (Oh, yeah)

Isn't it crazy, isn't it crazy? (Oh, yeah)
I guess we made it out
How could you blame me, how could you blame me? (Oh, yeah)
I'm the one who is always right
But you cannot feel me, you cannot feel me (Oh, yeah)
You don't got this type of life
But in the end we all fall together, I said we all fall (Oh, yeah)
Yeah, I guess that you should show me
How to write a blasphemy (Oh, yeah)
And how to be a better me
'Cause I don't wanna sell my soul (Oh, yeah)
And if you wanna come with me
We're sailing trough the seven seas (Oh, yeah)
And say goodbye as enemies
Tell me if you want these

And I'm like riding down the '95, we leavin' in a hole
(Ah, ah, oh, yeah)
Feels like months but it's two hours, I feel as I'm growing old
(Ah, ah, oh, yeah)
Popping pills and pouring champagne in a swimming pool
(Ah, ah, oh, yeah)
Okay, it's just my shady thoughts, the truth is that I'm still alone
(Ah, ah, oh, yeah)
As we riding down the '95, we're leavin' in a hole
(Ah, ah, oh, yeah)
It feels like months but it's two hours, I feel as I'm growing old
(Ah, ah, oh, yeah)
Yeah, we popping pills and pouring champagne in a swimming pool
(Ah, ah, oh, yeah)
Okay, it's just my shady thoughts, the truth is that I'm still alone

Ah, ah, oh, yeah
Ah, ah, oh, yeah
Ah, ah, oh, yeah
Ah, ah, oh, yeah
