

(Cypress)

Uh

(Low The Great)

Amiri on my feet, I said, "Fuck the jeans" (Fuck the jeans)  
You need at least ten to fuck with me (Fuck with me)  
I like a bitch with some ass and some double D's (Double D's)  
If she spend the night, we finna fuck to sleep

Fuck a opp, call my Glock, come and fix this (Come and uh)  
Slide down a nigga block like some liquid (Like some liquid)  
Cubicle, suitcase, bitch, I'm with the business (I'm with the business)

Just another bitch on my hit list (Uh)

It don't matter what I got, you can't get this (Get)

I got a wife and a bitch just to get lit (Just to get)

Lunch table, we them niggas you can't sit with

Told my plug, "Do me like Deebo with a big brick" (Oh, a big brick)

Ayy, you better get your mans, come and check through (Come and check through)

Don't worry 'bout it, that's a flesh wound (That's a flesh wound)

Die broad daylight, see you next move (See you next move)

If you really step on shit, watch who you step to (Uh)

[?] and a Mac nine (And a Mac nine)

Lyin' 'bout your Rollie, guess it's cap time (Oh, it's cap time)

My niggas got my back like a fat spine

I'm too faded when I rap, what's my last line?
