

Intro (The Notebook)

AzChike

Huh

I ain't sorry 'bout shit, if I did it, I'ma stand on it
Bitch, I get money, I get cut, put a band on it
Shoot a nigga like a Bible, we put a hand on him
But ain't no use, you was excused, you got a fan moment
Lost my bitch, it ain't shit, I keep it player
Hit your brookling, if I can't love you now, I wanna love you later
You know me, it's big Chiz, the notebook, keep some paper
Bitch broke my heart and then I bossed up, I should've thanked her
Lost Kanga, lost Sweet, this shit feelin' heavy
Niggas lookin' in me like I'm done, I'm just gettin' ready
I'm bust down and quick to draw down on anything sketchy
I'm caught on the mic, you niggas light, fuck if you accept me
Tryna be your friend, shake your hand, nigga, fuck you mean?
Bitch, I'm 'bout bread, straight bread, nothin' in between
Don't hear from my moms on my homies, I depend on lean
Bitch, I'm gon' be rich long as you breathe and music stream
Join a team, we gon' turn you up, do your homework
Bitch wanna fuck, tuh, I'ma do this song first
Incriminate itself on the 'Gram, gon' get his home searched
Just counted one fifty to the face (What else?), Heaven on Earth
Bitch, I'm in control, don't need a soul, I got rich without you
And they pay me to come to they club (What else?) and stand on couches
Quick to squeeze and make him leak like a fuckin' falon
Valleys and peaks from the streets, I done crossed a mountain

Yeah, I'm on a different type of time now
I'm big dog, I walk through, you keep your eyes down (You keep your eyes down)
I'm feeling pain, you give me money, bitch, I might smile (Bitch, I might smile)
You ain't try me then (What else?), and don't try me now (Don't try me now)
Bitch, I'm on a different type of time now (Different type of time)
I'm big dog, I walk through, you keep your eyes down (Keep your eyes down)
Feeling pain, you give me money, bitch, I might smile (Bitch, I might smile)
You ain't try me then (Ain't try me then), and don't try me now (And don't try me now, bitch, yeah, nigga)
You ain't try me then (You ain't try me then), and don't try me

now (And don't try me now, nigga)
Nigga, more like
If you ain't try me then (Ain't try me then), better not try me
now (Better not try me now, nigga)
Yeah
