AzChike

What do you think makes Chike Different?

(1, 2, 3)

Umm, Chike is one of the most original artists

That ever came from South Central

If you look at the tradition; from umm the Ice Cubes to... Man it's just

You know, the history of rappers coming out of South Central
Chike was the first person that I knew, with the umm plugs in t
he ear

Then he was the first person to buss them down

The content has always been...

He's always rapped about what he's wanted to so...

I mean he's just amazing at what he does bro...

(Low the great)

Big dog, ain't no sizing up you gon' bow down

You ain't try me then, then don't try now

Raise the price til' you start raising eyebrows

Talking cold, we zip him up like his fly's down

Bitch keep that opp shit off my timeline

Know your place, side bitches to the side line

I up stick and drop dick like a pipeline

Anything go wrong they gon' write mines

Nigga, write a wrong make your best move

Boob job on a bitch, I'm making chest moves

I'm still up from last night I can't catch snooze

Ex bitch hit me up like I should've kept you

I told her suck the dick and you can keep that

Bust a nut on your face with this seat back

Any crimes get done we ain't see that

Cus I can unlock anything with the key, facts

Wassup? Back door wide open

But I ain't goin', god know I'm chosen

Always look forward, when you stayin' focused

Man I don't like that nigga cus he bogus

Cult member, in the party going crazy

Bitch tryna chill, well hurry up and pay me

Spin that nigga block, driving miss daisy

Still do a fat nigga slim shady

Bitch, just talked to hutch brought them buffs

Eye boogers on the face, 20 pointers on the crest

When I'm low and I'm down, who the fuck come in clutch

Big chop, up it up, imma empty out that stuff

Nigga
