Ayy, Perky, Perky, Perky

Hey, purge, purge, purge
My young niggas tryna put him in the dirt

Tryna get 'em gone, need a Jimmy on, can't hit it raw
Time to kick it off, you ain't tryna ball then don't get involved
Niggas really soft, got a fifty-ball, tryna spend it all
Tell 'em tear it off, you can meet the gangsters, you can take a loss
Take a walk, say you fuckin' with us, you gon' meet the chalk
Say you fuckin' with us, you gon' meet the pavement
Say you fuckin' with me, bitch, you must be crazy
Nigga say he fuckin' with me, then he must be stupid
Check it off the to-do list to show you how I do it
Ayy, show you how I live, watch how I maneuver
I ain't gon' take your ass home, bitch, catch an Uber
Niggas real-life bums, real life some losers

Perky, Perky, Perky
I'ma hop out, give 'em Fergy
Hey, purge, purge, purge
My young niggas tryna put him in the dirt
Perky, Perky, Perky
I'ma hop out, give 'em Fergy
Hey, purge, purge, purge
My young niggas tryna put him in the dirt

I'ma kick it off, you ain't tryna ball then don't get involved
Niggas really soft, got a fifty-ball, tryna spend it all
Tell 'em tear it off, you can meet the gangsters, you can take a loss
