

Yeah, I don't trust niggas 'bout as far as I can throw 'em
Point a nigga out, told brodie get to blowin'
Call the 911 up, he bring the hoes, it start snowin'
She said, "You one of them ones," I'm like, "I'm already knowin'"

Nigga, what? What, what?
What, what?
Nigga, what? Hold on (Baby, give me some cash)
Let me talk my shit, nigga

Yeah I can't trust a bitch, it just is what it is
Point a nigga out, told brodie handle biz'
If you ain't do it with me, don't speak on what I did
Little bitch said she hungry, well come on, eat these kids
I don't check the tag, I'ma buy it if I like it
Dick a bitch down, move your hands, bitch, don't fight it
Diamonds hittin' hard, yeah, strikin' like that lightning
All my niggas get money, bitch, don't get too excited
Bitch bad as fuck, I just had to tear her up
Thumb in her butt, she gon' leave on a crutch
Feel like a surgeon, I've been playin' in her gut
Niggas be hidin' and runnin' until they run out of luck
Nigga, what? Bitch, I'm the meanest
This ain't Resident Evil, niggas playin' like they demons
Need me a million, why the world got one dreamin'
Niggas duckin' from children, I'm on the hunt, have you seen?

Nigga, what? What, what?
What, what?
Nigga, what? What, what?
What, what?

Look, I don't trust niggas 'bout as far as I can throw 'em
Point a nigga out, told brodie get to blowin'
Call the 911 up, he bring the hoes, it start snowin'
She said, "You one of them ones," I'm like, "I'm already knowin'"

And my dawg in the morning, we finna fall in the foreign
Just 'cause the pussy good, bitch, don't mean you important
I'm holdin' them bands, if he try, I'ma torch him
I'm rockin' Dior's, straight from France, these imported
I'ma let 'em talk, 'cause that's what they do best
I'm puttin' it on, I get dressed, she get wet
And I'm cuttin' her off if I get a lil' stressed
Side bitch like the best, she my secret, best-kept

Nigga, what? What, what?
What, what?
Nigga, what? What, what?
What, what?
Nigga, what? What, what?
What, what?
Nigga, what? What, what?
What, what?

Ain't nobody screamin' "Free me," "R.I.P. me" (What, what?)
Ain't nobody screamin' "Free me," "R.I.P. me" (What, what?)
