

Salute

Azealia Banks

Louis Vuitton on the hook
Wang's in 'em
A good shoe for a bad bitch
Fuck with her
Eating with Jimmy Iovine
Lunch with her
She's a get-money bunny
Jump with her

Bum bitches, bite my style, Dracula
Wear your Wu-Tang fangs
Novocane from Frankie

Your gonna need some backin' up
Super-save these hoes
Cape Town, Africa
Catch me in N.Y, Uptown, the Battles up

All ready to saddle up
Mami I'm no rookie, already the champion
Movie you not pretty, you lookin' like a regular
Blonde cuties, space cadets, astronauts
Most niggas booty or Britneys or Ericas
Come and get me, et cetera, et cetera
Any challenge I bet I wet 'em up
Berettas up

Salute, What's good
Salute a bad bitch you should
Salute, What's good
Salute a bad bitch you should
