

# Soda

Azealia Banks

I tried to hide behind tired eyes, I sigh.  
I'm tired of trying to try not to cry and,  
I say soda, soda!  
Tye Dye O'er  
I roll the dye,  
I coast, I dose I...

A smile a guise,  
I'm trying to hide behind tired eyes, I sigh.  
I might survive the nighttime, I might die  
I say soda soda, I'm high roller,  
Yo sir, I pose for the poster, yep!

Icy cola cola, sprite I love the mosta!  
I ride rollercoasters! I try all the cultures!  
A smile, a guise,  
Nighttime, is mine to lie eyes a wide and I...  
I'm tired of trying to try not to cry and...

I say soda!  
I'm Iota, yo sir,  
I ride roller-  
I try all the cultures!  
Light my swollen smoker,  
I might comatosa,  
I once used to be your girl.

I used to be your girl...

Been too busy, but I don't wanna deal with you  
Been thinking bout the way you treat me right, yeah...  
It's you and me, but I don't wanna deal with you,  
Been thinking 'bout, the way you'll leave me right, here...
