Another year, we're up in here, nation colors match my gear Cheer together with my peers going in and out my ears Single nation single voice we hear each other loud and clear Put down all the fears and hate, unite as one, we're outta' here

The moment is finally near
Through all of the sweat and tears
I rise and find myself
Reach for the dreams that I been waiting for
Now that I'm standing here
Through all of my pain and fears
I rise and overcome
Now the time is here

Represent the country where my blood originated

Everyday we celebratin' elevatin' yeah we made it

No matter where I go, I'm representing' 'til I rest my soul

And every day we take a gold, 'cuz that's our goal, now ready? set, G

Oh no matter where we go
Born to do the impossible oh oh oh
So get on your mark, are you ready, get set, let's go

No matter where I am or where I go, yeah you already know Got my nation in my blood and now I'm ready to go 'Cuz im 'bout it, about it Winning the race as quick as super sonic got it? we got it

No matter where we go We're born to do the impossible Shoot to the top of the world
