

Tak mengapa aku okay  
Dah biasa di buat begini  
Hati, hati ku, hati ku dah beku  
Dari on the phone setiap hari  
Sekarang suara ku kau tak kenali  
My phone rings, but I know, I know it isn't you

I tried, you know, I tried  
Setiap kali berubah untuk mu, yeah  
And I tried, you know, I tried  
Jadi seperti yang kamu mahu

Kita - tak lagi sama, girl, trust me  
Sejuta kali kau sakiti ku  
Girl, know there's nothing I wouldn't do for you  
Kita - tak lagi sama, girl, trust me  
You're just something I can't change  
Ku terima, semua will never be the same

I loved you from far away, know I needed you to stay girl  
You didn't have time to wait, now its just all a waste babe  
So I loved you from far away  
I'm hoping you'll find your way back home  
My love, my love

Cause I need a little more time  
Just a little more  
In my mind  
When I'm on my grind  
With your little white lies  
Now were a little unkind  
Can we hit rewind  
Oh no no  
Are you really gonna fault me  
Now you want to forget  
I never got to love you the way I really wanted  
Way back home  
Find your way back home  
My love

You love me, you leave me  
So easy come and go  
You love me, you leave me  
So easy come and go  
She loves me, she leaves me  
So easy she come and go  
She loves me, she leaves me  
So easy she come and go

Kita - tak lagi sama, girl, trust me  
Sejuta kali kau sakiti ku  
Girl, know there's nothing I wouldn't do for you  
Kita - tak lagi sama, girl, trust me  
You're just something I can't change  
Ku terima, semua will never be the same
