

Lover

Aziz Hedra

It's always you that I stare
Wouldn't go anywhere
I am losing my mind, throw me a bone here
'Cause I don't know how you feel
Hope you're down for the deal
My doors are open for you

Won't you give yourself to me, now?

Let me be your lover, lover, lover
Let me be your lover, lover, lover
Let me be your lover, lover, lover
Let me be your lover, lover, lover

No lights, every night
Little talk, little laugh
A lot of love in the air, just you and I
I think I'm addicted, baby
Give me your sugar, and I
Kinda wish you love me baby, and now

Won't you give yourself to me, baby?

Let me be your lover, lover, lover
Let me be your lover, lover, lover
Let me be your lover, lover, lover
Let me be your lover, lover, lover

Sugar sweet baby
I'm not that greedy
I'm just so ready for you
Can't you be my lover?

Mixed signals
Can you just be logical
You really are a criminal
Baby turn yourself to me
'Cause there are nothing left to say
Beside that "I love you"

Let me be your lover, lover, lover
Let me be your lover, lover, lover
Let me be your lover, lover, lover
Let me be your lover, lover, lover

Sugar sweet baby
I'm not that greedy
I'm just so ready for you
Can't you be my lover?

Lover
Lover
Lover, lover, lover
Lover, lover, lover
