

Do What I Want

Azizi Gibson

Are you having troubles with others telling you what to do? (Yeah!)
Are family and friends convincing you to do things you don't want to do? (Yeah!)
Are you in college for no reason? (Uh)
Well this song is for you

I do want I want when I want fuck up out my bidness
I do want I want when I want fuck up out my bidness
Fuck yo bitch for one 'cause she a hoe
I don't engage with niggas I don't know
So
I do want I want when I want fuck up out my bidness
I do want I want when I want fuck up out my bidness
Fuck these hoes and get this doe for one
Yeah the money make me come it make me come

Yeah, okay-k-k
You don't know who you been fuckin' with, lil girl
I be on this shit before it's lit, lil girl
45 on my fuckin' dick, lil girl
You don't know cause you don't know shit, lil girl
Sorry your show won't work on the Reaper
Don't be tryna talk back to your teacher
Don't be actin all above the meter
Unless you wanna see a real nigga
Nah you cannot boss me around, 'round, 'round
I work for my spot in this town, town, town
We almost at the top, don't look down, down, down

I do want I want when I want fuck up out my bidness
I do want I want when I want fuck up out my bidness
Fuck yo bitch for one 'cause she a hoe
I don't engage with niggas I don't know
So
I do want I want when I want fuck up out my bidness
I do want I want when I want fuck up out my bidness
Fuck these hoes and get this doe for one
Yeah the money make me come it make me come

Yeah that's what I saw
Yeah I was crammin' in the six
Sharing drinks up at the bar
I done seen a lot of shit
I don't fuck with y'all
You stay lyin' 'bout some shit
I'll be out before you blink
Don't be near me in my dream
I don't fuck with y'all
So stop ridin' on my dick
I done told yo ass before
Get the fuck up out my shit
I don't fuck with y'all
45 on my dick
Don't approach me and my clique

I do want I want when I want fuck up out my bidness
I do want I want when I want fuck up out my bidness

Fuck yo bitch for one 'cause she a hoe
I don't engage with niggas I don't know
So
I do want I want when I want fuck up out my bidness
I do want I want when I want fuck up out my bidness
Fuck these hoes and get this doe for one
Yeah the money make me come it make me come

Well I hope this worked
The next time someone tells you what to do, make sure you play this song
And matter of fact, go ahead and add a little middle finger while you're at it
Just give them a good ol fuck you
Yeah, that's the spirit! Congrats! You're on your way
Well I won't be taking any more of your time I'm pretty sure you've got to get to the next song
Goodbye
