

Loafing

Azizi Gibson

My nigga hold up
Why the fuck it take you an hour just to roll up?
Got women on me, got food cooking, my nigga hurry up!
Is it time to fuck nigga? What the fuck, just roll one up
Every time I got the whole [?] why you slacking bruh?
We just want to get high
Get high
Why you slacking bruh?

We just want to get high
Get high

This shit can do no wrong
I mean really homie, I smoke before I study
Now I feel like I'm learning something
Get away from those I don't fuck with
I'm in another country tryna help them with their struggles
[?] bullshit
You finally rolled it up and now you holding it
Use the lighter bro, spark the bitch!
Dude these girls here are sober as shit
And I'm sure they ain't gon' suck no dick
I mean I'm just saying bro
You asked me to set it up
And said "Z bring some bitches over I'm tryna fuck."
So that's what I did bitch nigga, knuckle up

So grab the fuckin' lighter
Spark the blunt
Pour the lick
Sniff the drugs
Pinch the butt
Roll a bunch
Hit the cut
Fuckin' bust a nut
Clean it up
Lean a slut
Take a puff
Freshen up
Chef it up
Bless the lunch
Thank your boy
Dab me up
Gas the [?]
I'm the plug
No bud
Just butt
Flex and fuck
Sexy fuck
Major leagues we catching up
Select my nuts
What the fuck!

We just want to get high
Get high

We just want to get high

Get high

If you turn to the bud when you can't get out
Your same as me
Open mind, open paths you'll soon find out
Move notes for me
But I...
Still...
Need...
To... smoke
My...
