

# Make You Famous

Azizi Gibson

Just making magic  
All day, All night, Yeah nigga

Pussy popping for the paper (Woo)  
Then she upgraded, got into the major (Nice)  
Shorty said, "It's fuck with a ball player"  
No prenup, no signed papers (Swish)  
No baby either, damn she a heathen  
Must be a demon  
Guess he ain't sees it, that's my fault  
Meant to say Neiman's  
Passed on the test and got herself a beamer, word  
Coming down she got the need to swerve  
Big ol' booty, she got all the curves  
Other bitches tryna hate on her  
Stupid cool, she a super nerd  
Give a fuck what you niggas heard  
Why you bitches tryna hate?  
Ya'll the ones that are fake  
She just stepped into the plate

Shorty I can make you famous  
Girl tell me what your name is  
And all the women that you came with  
What you thinking, where your brain at?  
If you're in school, what's your major  
Are you interested in a player  
Are you interested in this paper  
Are you interested in this flavour

Shorty I can make you famous  
Girl tell me what your name is  
And all the women that you came with  
What you thinking, where your brain at?  
If you're in school, what's your major  
Are you interested in a player  
Are you interested in this paper  
Are you interested in this flavour

Like Ray J. did to Kim, Kim, Kim, Kim (Oh my God!)  
Somethin' like a ho to a pimp, pimp, pimp, pimp  
You'll be eating steak, eating shrimp shrimp shrimp shrimp  
You can have that new ass and some tits, tits, tits, tits (Ahh!)

Pussy popping for the paper, but  
She gonna have to call you later, yup  
Twerking up a tornado (Woo)  
Got the stripper pole on the ladle, yeah  
And nope that's not a rental (Nope)  
The top's gone like a kettle  
And all you hoes is Gepetto's  
Haters come and get your medals, yup  
She been acting brand new  
So I been acting brand new  
Gotta get this fondue  
Whatever you wanna do  
Baby what can I do, because I understand you

And you're livin' proof that your past won't haunt you

Shorty I can make you famous  
Girl tell me what your name is  
And all the women that you came with  
What you thinking, where your brain at?  
If you're in school, what's your major  
Are you interested in a player  
Are you interested in this paper  
Are you interested in this flavour
