I hope you don't end up like the last man, man, man, man

You'll fall in love with her body
When you see it you'll get naughty
You'll start giving her massages
And in return you'll get knowledge
You'll fall in love with her body
When you see it you'll get naughty
You'll start giving her massages
And in return you'll get knowledge

Ooh, I know
Why I choose you over all these hoes
What makes me think that you're the one?
Why are you the holster to my gun?
Body hot like the 305
See the fire that's in them eyes
Your thighs just hypnotize
Your voice gotta be synthesized
Interpol couldn't catch you guys
But try my dick for size
Bet you never want to quit your life
Let's get pretty and go out tonight
We getting higher than a flight tonight
No trip but we'll hit the sights
Just me and you without the [?]

You'll fall in love with her body
When you see it you'll get naughty
You'll start giving her massages
And in return you'll get knowledge
You'll fall in love with her body
When you see it you'll get naughty
You'll start giving her massages
And in return you'll get knowledge
